**Our mission is to make contributions to the health of people and to achieve a sustainable society.**

Since its founding in Japan in 1915, Sato Pharmaceutical has been dedicated to provide superior pharmaceuticals that contribute to the health and well-being of people. Today, the environment surrounding our business are undergoing significant changes. In facing such an environment, Sato Pharmaceutical is committed not only to the development of pharmaceuticals but also to promote various initiatives to realize a sustainable society. Please look forward to our new challenges for the people, the earth, and the society towards the new era.
